

River Lawrence – City Councillor For District 18

Home

[I don't have a photo yet; I'll send you one later.]

Serving the residents of District 18 and this city with dedication and pride for over 8 years.

My policy decisions attempt to find the balance between:

1. responsible budgets and enhanced community services;
2. maintaining green space and supporting development; and,
3. oversight and “red tape”.

My voting record in council speaks for itself:

Policy	For	Against
Organic waste pickup	X	
Four-lane road expansion	X	
Public-private construction agreement		X
When I vote, I vote for you.		

[Put the logo for the Province of Ontario here; you can find one at <https://www.fin.gov.on.ca/assets/img/logo-large-padding-fes.png>. The image should link to <https://www.ontario.ca/page/government-ontario>.]

About

I've been a resident of this city for the majority of my life and a homeowner in District 18 for the last decade. I truly enjoy living here and I want my efforts as a Councillor to have a positive impact on the city. Please contact me [link to the Contact page] with any ideas you might have to improve the municipality.

Education

I completed my Honours degree in Public Administration and Political Science (BsocSc) from the University of Ottawa [Can you find the degree program and link to it?] followed by a Master of Public Administration (MPA) from Western University [Can you find the degree program and link to it?].

Career

I began my career working with the Commissioner of Community Services and, after many excellent years, I resigned to pursue municipal politics. I've since had the pleasure of serving as the councillor for District 18 for over 8 years. I serve on both the Administrative Policies and Planning committees.

Contact

- Email: river.lawrence@district18.on.ca
- Cell: (555) 555-5555

I endeavour to answer all emails and return all calls within two business days. If the matter is urgent, please include “Urgent” in the subject line of your email or use it in the first few words of your text.

[Put the Ontario provincial flag here.]
